HOW TO GET STARTED WITH BOOTCAMP

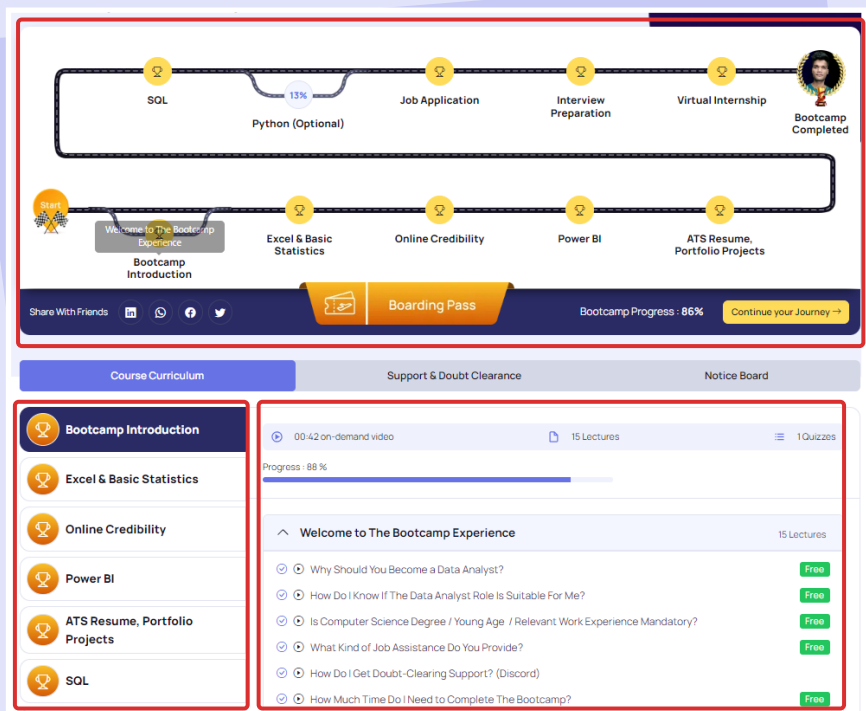

1

You will find a **"Get Started"** link in the email. Simply click on it to be directed to the page where you can begin your bootcamp journey.

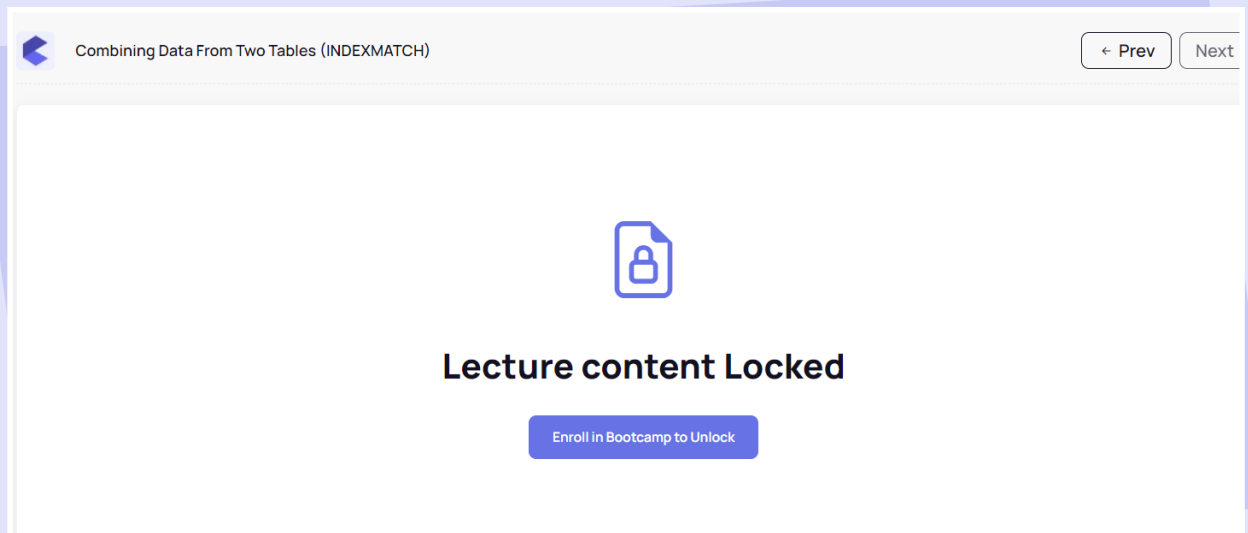

2

The main page of the bootcamp is structured into three sections. At the top, you will find the roadmap, which allows you to track your progress. On the left-hand side, you will see various modules, while on the right-hand side, you will find subsections within each module.

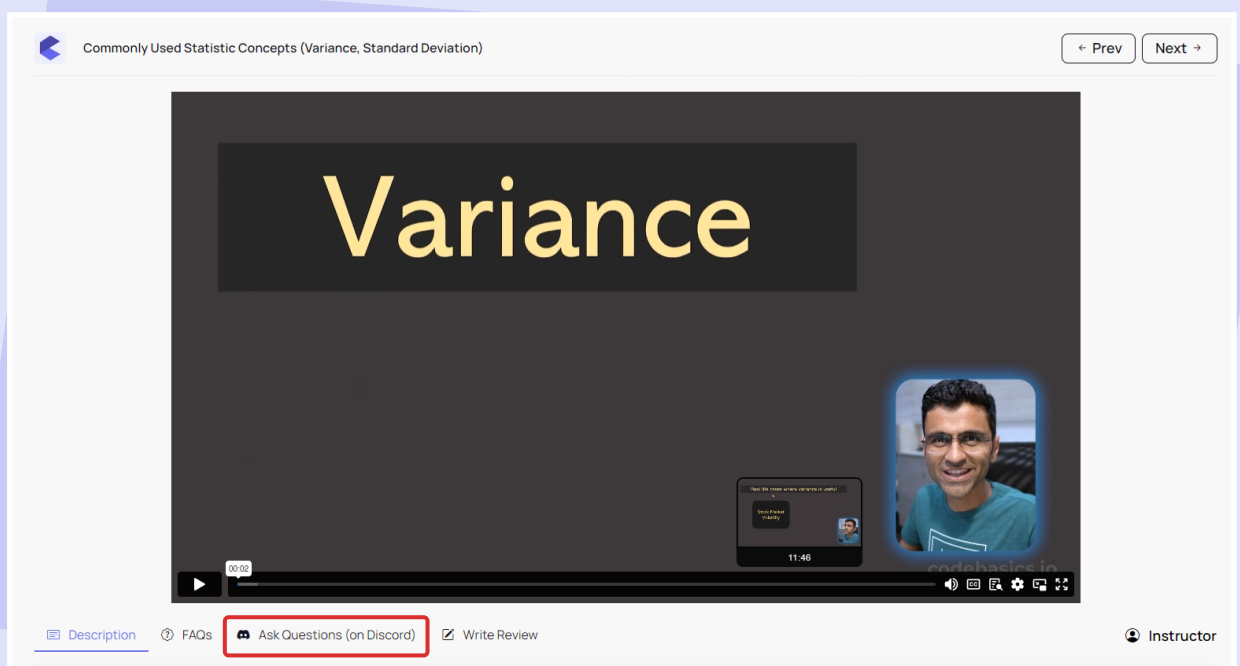

3

To ensure a sequential and best learning experience, some lectures may be locked in our bootcamp. You can unlock them by completing the quiz at the end of module.

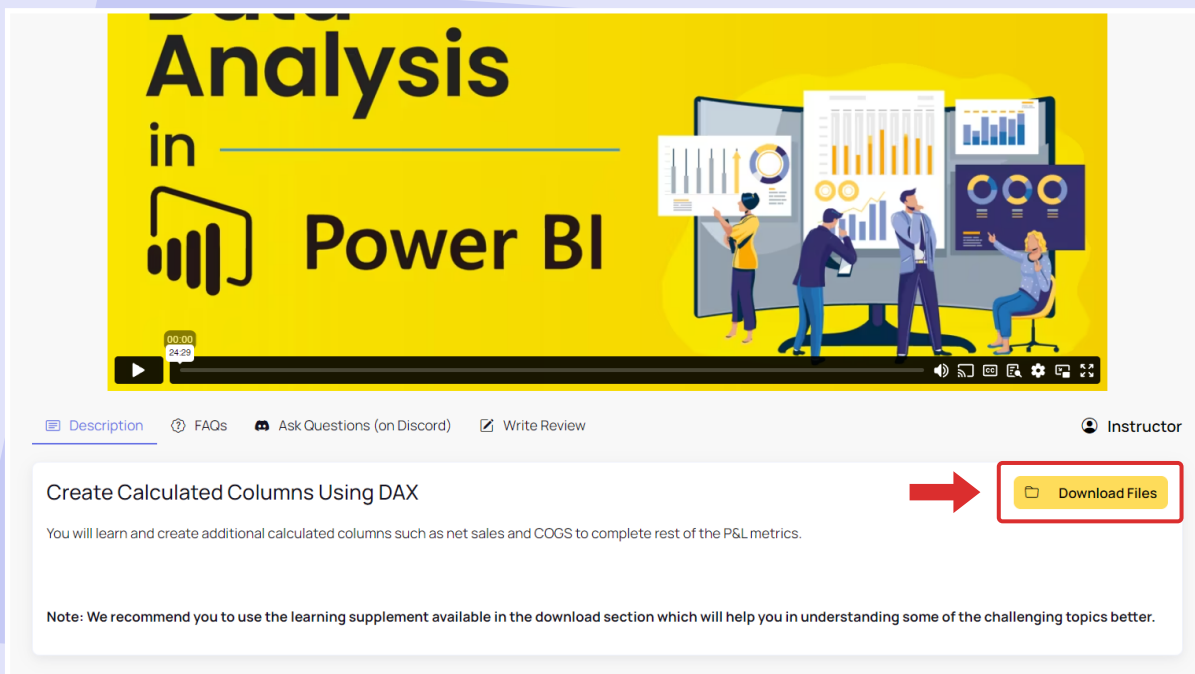

4

To access the discord platform, please click on the button labeled **"Ask Questions (on Discord)"** located at the bottom of each lecture. For more specific instructions, please refer to document no 2 "How to Join Discord" in the email.

5

Always check the “**Download Files**” button at the bottom of relevant videos to access the necessary materials.
